To all them hustlers out there that wanna be like me.

(What's up Gambinos?)

Just wanna let yall know that this aint happened
overnight.

(Humbro)

And if the real players out there hold the real
benjamins.

Yall know how we get it.

Wodie!

I'm not a stunter, I'm a baller

Meet me uptown, I got them halves and them quarters

I'm not a stunter, I'm a baller

Meet me downtown, I got them halves and them
quarters

I'm not a stunter, I'm a baller

Meet me in the east, I got them halves and them

I'm not a stunter, I'm a baller

Meet me across the river, I got them halves and them

Sittin on twenty full of chrome, meet me by the dome

Ain't got no Primeco I got a Nextell phone

I 1000 with the speakers

I got a bag of that rome for the dope fiends and the
tweakers

That's why I walk with a limp (a limp)

I got five G's on fourteen gimp

Fast Eddie on the gates, hot boy on the lake

My No Limit tank really cost a hundred K

My empala change six colors

I make music for the thugs and the hustlers

Uhhh! Big Boz in the six, I'm in the drop top Rolls

Took mama out the projects, put her in a mansion on
some marble floors

I'm not a stunter, I'm a baller

Meet me uptown, I got them halves and them quarters

I'm not a stunter, I'm a baller

Meet me downtown, I got them halves and them
quarters
I'm not a stunter, I'm a baller
Meet me in the east, I got them halves and them

[Reginelli]

And when you see me on the street check the ice on my

What the sense of lyin for, if you ain't got it go get it

So I made TRU Records, ask Magic bout my devidends

[Mia X]

Bought two houses and a Benz and I still got ends

All you kittens in the game I'm the mama cat

Fat my pockets full of dough
Spit game from a six double O
