

Little Mermaid, The "In Harmony"

What makes someone special?
I suppose it all depends
It's what's unique in each of us
That we all share as friends

The difference is our differences
Maybe small or great
Variety add spice to life
So we should celebrate

In harmony
Harmony
You're you, I'm me
Together we
Can live in harmony

If there was only one note
How boring life would be
I'm glad there are so many notes
In many different keys

I hear each voice singing
With a special quality
And when we sing together we
Bring music to the sea

In harmony
Harmony
You're you, I'm me
Together we
Can live in harmony

In harmony
Harmony
You're you, I'm me
Together we
Can live in harmony

In harmony,
Harmony,
You're you, I'm me,

Together we,
Can live in harmony
