Poor little frightened baby (Flounder: Baby?)
Wandering on your own
You've been through a lot
Haven't you, Spot?

Ariel: Poor Spot, where's your mother, where's your family?

Everyone needs a family
No one should be alone
Now Flounder and me
We're gonna be
The family you've never known

Ariel: We have to take him home with us.
Flounder: We have to - WHAT?!
Ariel: Oh, Flounder, can't you see?

Just a little love
And he'll be good as new
In just a little while
Watch a smile come shining through

He's just a little scared
He needs a friend today
He needs a little love
How can I turn away?

Ariel: He's singing! He sounds just like you!
Flounder: Kinda.
Ariel: See, he likes you! You'll be his big brother.
Flounder: I don't want to be his big brother! I don't want to be his midnight snack, either. It won't work, Ariel!
Ariel: Yes, it will.

Just a little love
That's how you begin
Showing him you care
Being there to tuck him in

Helping him to grow

Each and every day
Just a little love
Can go a long, long way
