[Ariel]

Well dear friend, it's time to put this letter into a bottle.
And hope the ocean current brings it back to you.
Maybe soon you'll come to visit me, even if only in your
dreams. Just follow the mermaid song and you'll find
me. Til then, your friend, Ariel.

[Mermaids]

Come to the place where mermaids dwell
Follow the call of trumpet shells
We'll fill your sails with friendly winds
And point the way with shining fins
And you can bid your cares farewell

Come to the place where mermaids dwell
In dreams you know the way so well
For if you hope and you believe
You'll see the golden nets we weave
You'll hear the stories that we tell
Where mermaids dwell
(Where mermaids dwell)
Where mermaids dwell
(Where mermaids dwell)

There are dolphins to ride for pleasure
And starfish that twinkle all night long
Streams of pearls and sunken treasure
And a mermaid song

Come to the place where mermaids dwell
Where shimmering ocean waters swell
Where laughing children of the waves
Play hide and seek among the caves
And ride a seahorse carousel

Come to the place where mermaids dwell
(Come to the place where mermaids dwell)
In dreams you know the way so well
For if you hope and you believe

You'll see the golden nets we weave
You'll hear the magic in our spell
Where mermaids dwell
(Where mermaids dwell)
Where mermaids dwell
(Where mermaids dwell)
Where mermaids dwell
(Where mermaids dwell)
Where mermaids dwell...
