"A Photograph Of You"

What is a photograph of you?

Everytime I look at it,

It makes me feel blue!

What use is a souvenir

Of something we once had

Make me feel bad!

I wish I could tear it up,

But then again I heavn't the guts!

I wish I could throw it on the fire.

I wish I could

But to say I would,

I'd be a liar!

What good is a colour print

Of a little baby doll?

When just one little galance

Is enough to make me feel dull!

I hoped I would missplace it,

But then I take such a good care of it.

I wish I could disappear,

I say I wish,

But then I relish

It being here!

What good is a photograph of you?

Everytime I look at it,

It makes me feel blue.

Everytime I look at it,

It makes me feel blue.

Feel blue
