I've got to get to you first

Before they do

It's just a question of time

Before they lay their hands on you

And make you just like the rest

I've got to get to you first

It's just a question of time

Well now you're only fifteen

And you look good

I'll take you under my wing

Somebody should

They've persuasive ways

And you'll believe what they say

It's just a question of time

It's running out for you

It won't be long

Until you'll do

Exactly what they want you to

I can see them now

Hanging around

To mess you up

To strip you down
And have their fun
With my little one
It's just a question of time
It's running out for you
It won't be long
Until you'll do
Exactly what they want you to
Sometimes I don't blame them
For wanting you
You look good
And they need something to do
Until I look at you
And then I condemn them
I know my kind
What goes on in our minds
It's just a question of time
It should be better
It's just a question of time
It should be better with you
It's just a question of time
