Put it on

And don't say a word

Put it on

The one that I prefer

Put it on

And stand before my eyes

Put it on

Please don't question why

Can you believe

Something so simple

Something so trivial

Makes me a happy man

Can't you understand

Say you believe

Just how easy

It is to please me

Because when you learn

You'll know what makes the world turn

Put it on

I can feel so much

Put it on

I don't need to touch
Put it on
Here before my eyes
Put it on
Because you realise
And you believe
Something so worthless
Serves a purpose
It makes me a happy man
Can't you understand
Say you believe
Just how easy
It is to please me
Because when you learn
You'll know what makes the world turn
