The things you do,

Aren't good for my health

The moves you make,

You make for yourself

???

???

Although they do,

They're the one's that I would choose

I wouldn't want it any other way

You wouldn't let me any way

(Chorus)

Dangerous,

The way you lead me onto more

Dangerous,

That's what I want you for

Dangerous,

When I am in you arms

Dangerous,

No, I will come to harm

The lies you tell,

Aren't meant to deceive

They are not there, for me to believe

I hurt, your vicious words

You know by now

It takes alot to see me hurt

I couldn't take it any other way

But there is a price that I must pay

(Chorus)

Dangerous (4x)

(Chorus 2x
