As your bony fingers close around me

Long and spindly

Death becomes me

Heaven can you see what I see

Â

Hey you pale and sickly child

You're death and living reconciled

Been walking home a crooked mile

Â

Paying debt to karma

You party for a living

What you take won't kill you

But careful what you're giving

Â

There's no time for hesitating

Pain is ready, pain is waiting

Primed to do it's educating

Â

Unwanted, uninvited kin

It creeps beneath your crawling skin

It lives without it lives within you

Â

Feel the fever coming

You're shaking and twitching

You can scratch all over

But that won't stop you itching

Â

Can you feel a little love

Can you feel a little love

Â

Dream on dream on

Â

Blame it on your karmic curse

Oh shame upon the universe

It knows its lines

It's well rehearsed

Â

It sucked you in, it dragged you down

To where there is no hallowed ground

Where holiness is never found

Â

Paying debt to karma

You party for a living

What you take won't kill you

But careful what you're giving

Â

Can you feel a little love

Can you feel a little love

Â

Dream on dream on
