In larger amounts/mix)

Grabbing we can, after all

Grabbing we can, after all

The handshake (the handshake)

Sells a contract (the handshake)

From the contract (the handshake)

There's no turning back (the handshake)

The turning point (the handshake)

In a career (the handshake)

In a career being sincere (the handshake)

(Sells a contract)

The holy day (the handshake)

The fun tract (the handshake)

The contract (the handshake)

Still intact (the handshake)

The grabbing hands

grabbing we can

All for themselves

After all

The grabbing hands

grabbing we can

All for themselves

After all

It's a competitive world

Everything counts in large amounts

The crowd (the crowd)

On the ground (the crowd)

Tells a story (the crowd)

Oh yeah (the crowd)

Featuring now (the crowd)

Searching how (the crowd)

The lights and the seats (the crowd)

need a little more power (the crowd)

Tokens (the crowd) taking in (the crowd)

My sun tan (the crowd)

And oil through it (the crowd)

Grabbing we can

All for themselves

After all

It's a competitive world

Everything counts

Everything, everything, everything, everything,
everything, everything

Everything counts in large amounts

Everything counts in large amounts

The grabbing hands

Grabbing we can

All for themselves

After all

The grabbing hands

Grabbing we can

All for themselves

After all

It's a competitive world

Everything counts in large amounts

The grabbing hands

Grabbing we can

All for themselves

After all

The grabbing hands

Grabbing we can

All for themselves

After all

It's a competitive world

Everything counts in large amounts

The grabbing hands

Grabbing we can

Everything counts in large amounts

The grabbing hands

Grabbing we can

All for themselves

After all

The grabbing hands

Grabbing we can

All for themselves

After all

It's a competitive world

Everything counts in large amounts

Everything counts in large amounts
