Don't know the reason why I  
Think I've been here before  
This place seems so familiar  
But then I can't be sure  
Here comes that time again when  
You'll walk right out the door  
Don't tell me secrets anymore  
And fools don't run away  
You'll be followed another day  
And all the chances that fall your way  
Are in the fire on your dying day  
So call me now and tell me that you're home  
Can't see the sense in crying  
There's too many tears to fall  
My thoughts are multiplying  
So I'll try to save them all
