If you've been hiding from love

If you've been hiding from love

I can understand where you're coming from

I can understand where you're coming from

Â

If you've suffered enough

If you've suffered enough

I can understand what you're thinking of

I can see the pain that you're frightened of

Â

And I'm only here

To bring you free love

Let's make it clear

That this is free love

No hidden catch

No strings attached

Just free love

No hidden catch

No strings attached

Just free love

Â

I've been running like you

I've been running like you

Now you understand why I'm running scared

Now you understand why I'm running scared

Â

I've been searching for truth

I've been searching for truth

And I haven't been getting anywhere

No I haven't been getting anywhere

Â

And I'm only here

To bring you free love

Let's make it clear

That this is free love

No hidden catch

No strings attached

Just free love

No hidden catch

No strings attached

Just free love

Â

Hey girl

You've got to take this moment

Then let it slip away

Let go of complicated feelings

Then there's no price to pay

Â

We've been running from love

We've been running from love

And we don't know what we're doing here

No we don't know what we're doing here

Â

We're only here

Sharing our free love

Let's make it clear

That this is free love

No hidden catch

No strings attached

Just free love

No hidden catch

No strings attached

Just free love
