Here, somewhere in the heart of me

There is still a part of me

That cares

Â

And I'll, I'll still take the best you've got

Even though I'm sure it's not

The best for me

Â

When you're born a lover

You're born to suffer

Like all soul sisters

And soul brothers

Â

I, I can see the danger signs

They only help to underline

Your beauty

Â

I'm not looking for an easy ride

True happiness cannot be tried

So easily

Â

When you're born a lover

You're born to suffer

Like all soul sisters

And soul brothers

Â

Like all soul sisters

And soul brothers

Â

You can take your time

I'll be waiting in line

You don't even have to give me

The time of day

Â

When you're born a lover

You're born to suffer

Like all soul sisters

And soul brothers

Â

Like all soul sisters

And soul brothers
