Here is a song

From the wrong side of town

Where I'm bound

To the ground

By the loneliest sound

That pounds from within

And is pinning me down

Here is a page

From the emptiest stage

A cage or the heaviest cross ever made

A gauge of the deadliest trap ever laid

And I thank you

For bringing me here

For showing me home

For singing these tears

Finally I've found

That I belong here

The heat and the sickliest

Sweet smelling sheets

That cling to the backs of my knees

And my feet

But I'm drowning in time  
To a desperate beat  
And I thank you  
For bringing me here  
For showing me home  
For singing these tears  
Finally I've found  
That I belong  
Feels like home  
I should have known  
From my first breath  
God send the only true friend  
I call mine  
Pretend that I'll make amends  
The next time  
Befriend the glorious end of the line  
And I thank you  
For bringing me here  
For showing me home  
For singing these tears  
Finally I've found  
That I belong here
