You have bound my heart with subtle chains

So much pleasure that it feels like pain

So entwined now that we can't shake free

I am you and you are me

Â

No escaping from the mess we're in

So much pleasure that it must be sin

I must live with this reality

I am yours eternally

Â

There's no turning back

We're in this trap

No denying the facts

No, no, no

No excuses to give

I'm the one you're with

We've no alternative

No, no, no

Â

Dark obsession in the name of love

This addiction that we're both part of

Leads us deeper into mystery

Keeps us craving endlessly

Â

Strange compulsions that I can't control

Pure possession of my heart and soul

I must live with this reality

Â

I am you and you are me

I am you and you are me

I am you and you are me

I am you and you are me

Â

There's no turning back

We're in this trap

No denying the facts

No, no, no

No excuses to give

I'm the one you're with

We've no alternative

No, no, no
