I feel you

Your sun it shines

I feel you

Within my mind

You take me there

You take me where

The kingdom comes

You take me to

And lead me through Babylon

This is the morning of our love

It's just the dawning of our love

I feel you

Your heart it sings

I feel you

The joy it brings

Where heaven waits

Those golden gates

And back again

You take me to

And lead me through oblivion

This is the morning of our love

It's just the dawning of our love

I feel you

Your precious soul

I feel you

And I am whole

I feel you

Your rising sun

My kingdom comes

I feel you

Each move you make

I feel you

Each breath you take

Where angels sing

And spread their wings

My love's on high

You take me home

To glory's throne

By and by

This is the morning of our love

It's just the dawning of our love
