"If You Want 440"

Working week's come to its end

Party time is here again

Everyone can come if they want to

If you want to be with me

If you want to be with me

You can come with me if you want to

Exercise your basic right

We could build a building site

From the bricks of shame is built the hope

If you want to be with me

If you want to be with me

Even though you may still not want to

Let tomorrow and today

Bring a life of ecstasy

Wipe away your tears of confusion

If you want to be with me

If you want to be with me

You can come with me if you want to

Even though you may still not want to
