quieter version)

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

I turned myself so many times before

But this time I think I mean it for sure

We have reached the full time

Nothing is gonna save us from the big trouble

Wish I get to a conclusion

A pretty illusion

I hate being on disintuaction

Back over diplomatic relations

If I only knew the answer

Or I thought we had a chance

So I could stop this

I would stop this

Safe it from spreading like a handshake

Hard to say

(I don't want to play)

Anymore

Can I say

I'm heading to the told

Like we stand this emotion of violence

Leave in silence

We could run within the sackles all year

Do we miss and we aren't getting no way

This would be the las time

I think I said the last time

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

If I only had a fortune

It's a magic gold for sure

I could stop this

So I would stop this

So I would set an end to this emotion

Hard to say

(I don't want to play)

Anymore

Can I say

I'm heading for the told

Like we stand this emotion of violence

Leave in silence

Leave in silence

Leave in silence

Leave in silence

Leave in silence
