I've told myself so many times before
But this time I think I mean it for sure
We have reached a full stop
Nothing's gonna save us from the big drop
Reached our natural conclusion
Outlived the illusions
I hate being in these situations
Back off of diplomatic relations
If I only knew the answer or
I thought we had a chance or
I could stop this
I would stop this thing from spreading like a cancer
What can I say?
I don't want to play anymore
What can I say?
I'm heading for the door
I can't stand this emotional violence
Leave in silence
We've been running around in circles all year
Doing this and that and getting nowhere
This'll be the last time

I think I said that last time
If I only had a potion
Some magical lotion
I could stop this
I would stop this
I would set the wheels in motion
What can I say?
I don't want to play anymore
What can I say?
I'm heading for the door
I can't stand this emotional violence
Leave in silence
