Little 15

You help her forget

The world outside

You're not part of it yet

And if you could drive

You could drive her away

To a happier place

To a happier day

That exists in your mind

And in your smile

She could escape there

Just for a while

Little 15

Little 15

Why take the smooth with the rough

When things run smooth

It's already more than enough

She knows your mind

Is not yet in league

With the rest of the world

And its little intrigues

Do you understand
Do you know what she means
As time goes by
And when you've seen what she's seen
You will
Little 15
Little 15
Why does she have to defend
Her feelings inside
Why pretend
She's not had a life
A life of near misses
Now all that she wants
Is 3 little wishes
She wants to see with your eyes
She wants to smile with your smile
She wants a nice surprise
Every once in a while
Little 15
