It's a lot, it's a lot

It's a lot, it's a lot

It's a lot, it's a lot

It's a lot, like life!

There's a new game

We like to play you see

A game with added reality

You treat me like a dog

Get me down on my knees

We call it master and servant

It's a lot like life

This play between the sheets

With you on top

And me underneath

Forget all about equality

Let's play master and servant

It's a lot like life

And that's what's appealing

If you despise that throwaway feeling

From disposable fun

Then this is the one

Domination's the name of the game
In bed or in life
They're both just the same
Except in one you're fulfilled
At the end of the day
Let's play master and servant
Come on
Come on
Master and servant
It's a lot, it's a lot
It's a lot, like life
It's a lot, it's a lot (master and servant)
It's a lot, it's a lot
It's a lot, like life
It's a lot like life
And that's what's appealing
If you despise that throwaway feeling
From disposable fun
Then this is the one
Let's play master and servant
Come on master and servant
