"More Than A Party Construction Time Again"

Lots of surprises in store

This isn't a party

It's a whole lot more

We've had enough of this blindman's buff

You've kept us in the dark for long enough

This is more than a party

More than a party

Keep telling us

We're to have fun

Then take all the ice cream

So we've got none

This is more than a party

More than a party

The failed magician waves his wand

And in an instant the laughter's gone

This is more than a party

More than a party

Lots of surprises in store

This isn't a party it's a whole lot more

More than a party
