Sex jibe husband murders wife

Bomb blast victim fights for life

Girl thirteen attacked with knife

Princess Di is wearing a new dress

Jet airliner shot from sky

Famine horror, millions die

Earthquake terror figures rise

Princess Di is wearing a new dress

You can't change the world

But you can change the facts

And when you change the facts

You change points of view

If you change points of view

You may change a vote

And when you change a vote

You may change the world

In black townships fires blaze

Prospects better premier says

within sight are golden days

Princess Di is wearing a new dress

You can't change the world

But you can change the facts

And when you change the facts

You change points of view

If you change points of view

You may change a vote

And when you change a vote

You may change the world
