Well Iâ€™m down on my
knees again
And I pray to the only one
Who has the strength
To bear the pain
To forgive all the things that
Iâ€™ve done

Oh girl
Lead me into your darknes
When this world is trying itâ€™s
hardest
To leave me unimpressed
Just one caress
From you and Iâ€™m blessed

When youâ€™ve think tried
every road
Every avenue
Take one more look
At what you found old
And in it youâ€™ll find
something new

Oh girl
Lead me into your darknes
When this world is trying itâ€™s
hardest
To leave me unimpressed
Just one caress
From you and Iâ€™m blessed

Iâ€™m shying from the light
I always loved the night
And now you offer me eternal
darkness

I have to belive that sin
Can make a better man
Itâ€™s the mood that I am in
Thatâ€™s left us were

we began

Oh girl
Lead me into your darknes
When this world is trying it's
hardest
To leave me unimpressed
Just one caress
From you and I'm blessed
