A white house a white room  
The program of today  
Lights on switch on  
Your eyes are far away  
The map represents you and the tape is your voice  
Follow all along you  
Till you recognize the choice

I take pictures  
Photographic pictures  
Bright light, dark room  
The right light, dark room

I said I'd write a letter  
But I never got the time  
And I'm looking to the day  
I mesmerise the light  
The years I spent just thinking  
Of a moment we both knew  
A second past like an empty room  
It seem's it can't be true

I take pictures  
Photographic pictures  
Bright light, dark room  
The right light, dark room

I take pictures  
Photographic pictures  
Bright light, dark room  
The right light, dark room

Bright light, dark room  
The right light, dark room
