Get down the crane  
Construction time again  
What is it this time?  
We're laying a pipeline

Let the beads of sweat flow  
???Until the ends of men know  
We'll take a long time  
Working on the pipeline  
Taking from the greedy  
Giving to the needy

On this golden day  
Work's been sent our way  
That could last a lifetime  
Working on the pipeline

From the hearts of the land  
To the mouth of the man  
We must reach them sometime  
We're laying a pipeline

Taking from the greedy  
Giving to the needy
