Written by Vince Clarke)  
Of that feeling  
My head's in relief  
You think you're in control  
But you can only obey  
I can move you  
I can observe you  
I can take different places in a different play  
And I don't think you understand  
What I'm trying to say  
I'll be operated baby  
I'm in control now

Action, action, close reaction  
And make me feel  
I'm thinking baby inside your head  
Conversation, my creation  
Nothing that you do -you know-  
Unless I say  
And you don't know the consequences  
Of the things you said  
I'll be operated baby  
I'm in control now

And all the things you tried to do babe  
And all the words we said before  
My only part of what I started baby  
But you can't stand me anymore

Of that feeling  
My head's on relief  
You think you're in control  
But you can only obey  
I can move you  
I can observe you  
I can take different places in a different play  
And I don't think you understand  
What I'm trying to say  
I'll be operated baby  
I'm in control now
