

Mode Depeche**"Somebody"**

Visit "[Somebody](#)" on MotoLyrics.com

i want somebody to share
share the rest of my life
share my inner most thoughts
know my intimate details
someone who'll stand by my side
and give me support
and in return
she'll get my support
she'll listen to me
when i want to speak
about the world we live in
and life in general
though my views may be wrong
they may even be perverted
she'll hear me out
and won't easily be converted
to my way of thinking
in fact she'll often disagree
but at the end of it all
she'll understand me

i want somebody who care's
for me passionately
with every thought
and with every breath
someone who'll help me see things
in a difffernt light
all the things i detest
i will almost like
i dun want to be tied
to anyone's strings
i'm carefully trying to stay clear
of those things
and when i must sleep
i want somebody
who'll put their arms around
and kiss metenderly
though things like this make me sick
in a case like this
i'll get away with it
