"THE PRICE OF LOVE"

One in three,
Say it now, but you won't forget her
Start to rush,
See her face in every crowd

And that's the price of love, the price of love
Care to pay? Care to pay?
And that's the price of love, the price of love
Costing more, and you're to blame

Here's the girl, here's another
?, but you won't recover
Dancing slow, dancing fast
You're happy now, but that won't last

And that's the price of love, the price of love
Care to pay? Care to pay?
And that's the price of love, the price of love
Costing more, and you're to blame

Here's the girl, here's another
?, but you won't recover
You're dancing slow, you're dancing fast
You're happy now, but that won't last

And that's the price of love, the price of love
Care to pay? Care to pay?
And that's the price of love, the price of love
Costing more, and you're to blame
