And to those feet  
In modern times  
Walk upon the flowers  
And walk upon their brothers while  
Heads are busy lying low  
Trying to keep to cover, oh

Something went wrong  
Went along the way  
Everybody's waiting for judgment day  
So they can go, "Told you so"  
They can go, "Told you so"

Bring me my arm  
Of itching desire  
Bring me my bullets  
And I will fire  
Sights set higher than a torch or spire

Something went wrong  
Went along the way  
Everybody's waiting for judgment day  
So they can go, "Told you so"  
They can go, "Told you so"

???Staying in line, the fight at the hind  
Waiting and waiting for an order to sign  
Brothers and sisters  
Playing Chinese Whispers  
If things aren't suited  
Then they'll get diluted

Here's one more dead with a hole in his head  
He shouldn't have said all the things he said  
Many tears were shed  
For the blood he bled

Something went wrong  
Went along the way  
Everybody's waiting for judgment day  
So they can go, "Told you so"

They can go, "Told you so
