They'll be ringing from the sky
Exploding in my heart
Is this love and disguise
I'm just conforming with enough
When the sky is turmoil see the cry
Tora! Tora! Tora!
In the time they fall, coming down
Tora! Tora! Tora!

I had a nightmare of the yesterday
You played down a skeleton
You take my love right back down there
I played down America
When the sky is turmoil hear the cry
Tora! Tora! Tora!
In the time they fall, coming down
Tora! Tora! Tora!

I played down America
