Sometimes watching walk down the street  
I fair drive  
Sometimes I can feel you in the air  
Looking good, nor you would  
All the time I understood  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
So pretty

Everybody seems to look in your way now  
(Everybody seems to look your way)  
Everybody wants to know your name  
(Hey, hey, what's your name?)  
Feeling right, just tonight  
Didn't say you're outer side  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
So pretty

All the boys we got to get together  
All the boys together we can sing  
We can go, never know  
All the things we need to show  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
So pretty

Hey you're such a pretty boy  
So pretty  
Hey you're such a pretty boy  
You're so pretty  
Hey you're such a pretty boy  
So pretty  
( P R E T T Y )  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
Hey you're such a pretty boy  
So pretty
