The strangeness of this life
Has tried to break your heart
Faster than a cheap thief's groping hands
Yet I know you are stronger than that

'Cause you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you
Yeah you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you at all

Yeah, the brilliance of your eyes
Is violent like the night
Those pouting boys who whimper by your side
Soon fall away yeah you're not here to stay

'Cause you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you

Yeah you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you at all

Yeah you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you at all

I love you so
I can't let you go

Yeah you are wild like a horse
You can't be tamed or bought
And you are wild like a horse
You can't be tamed or bought

And what they mean by soul
Is not like you at all
Is not like you at all

I can't let you go
I can't let you go

Yeah you are wild like a horse
You can't be tamed or bought
And what they mean by soul
Is not like you at all
