It's over my head
It's over your head
The stone has been bled
The skin has been shed
Life travels faster than sound
Yeah, life travels faster than sound

It's over my head
It's over my head
It's over your head
It's over your head
The stone has been bled
The skin has been shed
It's over our heads

Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?
Don't say that it's over
Love lies limply in the clover
Stamp out all light in your jack beetle boots
Don't you know the pig has eaten the truth?

It's over my head
It's over your head
The stone has been bled
The skin has been shed
Because life travels faster than sound
Yeah, life travels faster than sound

It's over my head
It's over my head
It's over your head
It's over your head
The stone has been bled
The skin has been shed
It's over our heads

Don't say that it's over
Love lies limply in the clover

Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?
Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?

Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots

Don't you know the pig has eaten the truth?
Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?

It's over my head
It's over my head
It's over your head
It's over your head
The stone has been bled
The skin has been shed
It's over our heads

Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?
Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?

Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?
Don't say that it's over
Love lies limply in the clover
Stamp out all light with your jack beetle boots
Don't you know the pig has eaten the truth?

Don't say that it's, say that it's over
Don't say that it's, say that it's over
Don't say that it's over
Don't say that it's, say that it's, say that it's, say that
it's,
Say that it's over (Don't say it's over)
Say that it's over (Don't say it's over)
Say that it's over (Don't say it's over)

Say that it's over (Don't say it's over)
Don't say that it's, say that it's, say that it's, say that
it's,
Say that it's over
It's so fucking over (Don't say it's over)
It's so fucking over (Don't say it's over)
It's so fucking over (Don't say it's over)
It's so fucking over (Don't say it's over)
It's so fucking over (Don't say it's over)
Don't say that it's, say that it's, say that it's, say that
it's,
Say that it's over
It's so fucking over (Don't say it's over)
It's so fucking over (Don't say it's over)
Say that it's over
