

Antifreeze "Poor Boy"

Visit "[Poor Boy](#)" on MotoLyrics.com

I saw you standing alone, so I said "Hi" with a groan
you told me to fuck off, so I just sat there and moaned
I tried to show you I cared, but you just sat there and
stared
you showed me the finger, now I am scared of you

what can you do when you have no shoes,
what can you say, when you have no name
what can you be, when you are just like me
I am a poor boy to you, and I don't know what to do
I am a poor boy to you, can you tell me what to do
I am a poor boy to you, so can you tell me what to do
to prove my affection without a rejection, I wish I could
get closer to you
I have no mouse, have no rat, I just live in a frat, the
ceiling is leaking,
hell I am now thinking, I wish I could just be with you
once for a weekend
