If diamonds could buy love
If laughter could buy the stars
If wishes were more than what they are
What I wouldn't do just
To buy the dream I had with you

And give it all up
You know it ain't much good
I can go on pretending
But I know I'd do it all again
'Cause without love I'm no one

Without love what would I do
Without you in my life
Nothing would ever be right
I'd be alone with nowhere to go

Without love
Without love It felt like you were gone
Somehow the dream goes on
Baby, you're where I belong
Every thing's changed
And I know I'll never be the same

But something's inside
I feel it tonight
(I can't go on)
Don't you know I need you
(I can't go on)

What would I do, baby
Without you, baby
There's nowhere to run

Nowhere to go, nowhere to hide
I know what's done is done
But we can make it right
I need you in my life
