Life is such a funny thing  
You never know what it'll bring  
You know I'm just takin' it day by day  
For you it comes so easily  
For me it's just another fantasy  
Cause nothing, nothing ever comes my way  
I see you there, I watch you fly  
If I could be you, I would touch the sky  
But here I am, and there you are  
Don't you know it's driving me  
So crazy

I think I'm going crazy, can't take it anymore  
Got one thing on my mind all the time  
And it's driving me crazy, I think I'm going crazy  
And I don't know what I'm doing  
I just can't take your grace in my face  
Cause it's driving me crazy

You do what you wanna do  
Everybody wants to be with you  
It's something that I just don't understand  
I don't believe you know what you got  
And that's what puts me over the top,  
I'm running I'm runnin' just as fast as I can  
I see you there, I watch you fly  
If I could be you I would touch the sky  
But here I am, and there you are  
Don't you know it's driving me  
So crazy

I think I'm going crazy, can't take it anymore  
Got one thing on my mind all the time  
And it's driving me crazy, I think I'm going crazy  
And I don't know what I'm doing  
I just can't take your grace in my face  
Cause it's driving me crazy
