Earl the Christmas Squirrel works from dawn till dusk
Scurrying all around the world collecting Christmas
nuts

Walnuts, chestnuts, hazlenuts, peanuts
And on his Hawaiian cruise
He goes nuts over coconuts and macadamias too!

Long ago on a winter's day Santa was riding on his
sleigh
He saw Earl jumping through the trees
he stopped to watch for a little while
hi rosy cheeks tipped on his smile
he said "Earl would you do that for me?"

So Earl the Christmas Squirrel works from dawn till
dusk
scurrying all around the world collecting Christmas
nuts
Walnuts, chestnuts, hazlenuts, peanuts,
And on his Hawaiian cruise
He goes nuts over coconuts and macadamias too!

So if you see a squireel up in a tree
You never know, it just might be
Earl gathering nuts for Christmas Eve
Now he's a part of Santa's crew
Just like the elves and Rudolph too
Working all year long for you and me

So Earl the Christmas Squirrel works from dawn till
dusk
Scurrying all around the world collecting Christmas
nuts
Walnuts, chestnuts, hazlenuts, peanuts
And on his Hawaiian cruise
He goes nuts over coconuts and macadamias too!
He goes nuts over coconuts and macadamias too!
