Girl I've been watching you  
Wondering, what's your name  
(And could I get ya?)  
I'm hoping that you feel the same  
Baby, what's on your mind?  
Darlin' don't you know it's the perfect time  
You know I'm gonna make you mine

Girl I'm gonna get ya  
You know I need you in my world  
You know I'm gonna get ya  
I'm begging you to be my girl  
Even though you might be scared  
I promise I'll be there  
Girl I'm gonna get ya tonight

Now that we're all alone  
I'm looking in your eyes  
(Can you see me?)  
Girl, this is no surprise  
I think I'm falling in love  
Darlin' don't you know its the perfect time  
You know I'm gonna make you mine

Girl I'm gonna get ya  
You know I need you in my world  
You know I'm gonna get ya  
I'm begging you to be my girl  
Even though you might be scared  
I promise I'll be there  
Girl I'm gonna get ya tonight

Don't you know I need you  
(need you now)  
Every time I see you  
(see you there)  
Don't keep me waiting with my love on the line  
When you are away from me  
You're the only one I see  
Girl I just can't seem to get you off my mind  
Yeah

(Get ya)  
Girl I'm gonna get ya  
Girl I'm gonna get ya

Girl I'm gonna get ya  
You know I need you in my world  
You know I'm gonna get ya  
I'm begging you to be my girl  
Even though you might be scared  
I promise I'll be there  
Girl I'm gonna get ya tonight

Girl I'm gonna get ya tonight
