am i hallucinating
or am i just imagining
i've thought of what our life could be
together
all of the lies we live in
(we live in)
i can see clearly right now
if only i could open up my eyes
(eyes)

hey, hey, hey, hey, hey
i forgot your name
hey, hey, hey, hey, hey
i forgot your name
hey, hey, hey, hey, hey
i forgot your name

if only i could say i love you
(i love you)
if only i could put my arms around you
at least it would be
(be)
clear inside my head
(head)

hey, hey, hey, hey
i forgot your name
hey, hey, hey, hey
i forgot your name
hey, hey, hey, hey
i forgot your name

if only i could speak out loud
instead of keeping it in
then none of this would be the same
for me, for me, for me
for me, for me, for me

hey, hey, hey, hey
i forgot your name
hey, hey, hey, hey

i forgot your name
hey, hey, hey, hey
i forgot your name

am i hallucinating
