I woke up this mornin
and you weren't there
the only scent
was your perfume in the air
How can somethin come and go so fast
You were just a one night romance.

I
I know you.
I know you true
I know you and you and you

I
I remember,
I remember you.
I remember when we fell in love.
And when I looked into your eyes,
I realized
you're the only one for me

You
you made me smile
You made me cry
(cry, cry, cry)
You made me see
Our love is meant to be
and when I looked into your eyes
I realized
you're the only one for ... me

Yeah Yeah!

I
I know you.
I know you true
I know you and you and you
I
I remember,
I remember you.
I remember when we fell in love.
And when I looked into your eyes,
I realized
you're the only one for me

Only one
Only one for me
Only one
Only one for me
