Walking down this ol' river bank
Thinking what needs done
I've got my swimming trunks
And my fishin' pole
Sounds like fun, son of a gun
I've been workin' hard all week

Now it's time to relax
Sit beneath that ol' shade tree
And just kick on back, girl it's a fact
I could go swimming, I could go fishing
So many things I could do
I could take a short nap or read a long book
At least a page or two

But girl you're the one
And I'm having fun just thinkin' about you
If I came over to see you girl
Would you be waiting there
With your sweet, sweet smile

And your loving arms showing you care, baby I swear
I'm gonna love you till the day I die
Now girl I want you to know

You're on my mind
You're in my heart
You're in my soul
Wherever I go

I could go swimming, I could go fishing
So many things I could do
I could take a short nap or read a long book
At least a page or two
But girl you're the one

And I'm having fun just thinkin' about you
Now I could go sane or I could go crazy
Or think the whole thing through
I could take a short nap or read a long book
At least a page or two

But girl you're the one

And I'm having fun just thinkin' about you

Just thinkin' about you

Just thinkin' about you

If you're wonderin' who

I'm just thinkin' about you
