Whoa, Whoa

What would I do  
If you took your love away from me  
What would I say  
I could never make it without you  
Yes it's true  
I wanna be with only you

Now and forever  
You and me together  
I can't believe its true, I'm so in love with you  
Now and forever  
You and me together  
I wanna be with you now and forever and ever  
I wanna be with you

Being with you feels like the sun on a Saturday  
Every night I find myself dreaming of just you  
Yes it's true  
I wanna be with only you

Now and forever  
You and me together  
I can't beleive its true, I'm so in love with you  
Now and forever  
You and me together  
I wanna be with you now and forever and ever

I wanna be with you  
Whoa, whoa

So in love, so in love  
So in love, so in love

Now and forever  
You and me together  
Now and forever  
You and me together  
Now and forever  
You and me together

I can't believe its true, I'm so in love with you

Now and forever

You and me together

I wanna be with you now and forever and ever

Whoa

I wanna be with you
