You broke my heart
When you walked away.
On bended knees
I begged you to stay,
Cause I'm sorry for the words that I've said.
I'm sorry for the tears that you've shed.

Give me one more chance
To prove my love for you,
Give me one more chance
I'll make it up to you.
Just one more chance
To hold you tight,
Please baby, let me make things right.
Let me make things right.

Now I'm all alone,
Looking for a way
To bring you back
So that I can say
I'm sorry for the words that I've said,
And I'm sorry for the tears that you've shed.

Give me one more chance

To prove my love for you,
Give me one more chance
I'll make it up to you.
Just one more chance
To hold you tight,
Please baby, let me make things right.
Let me make things right.

Let me make things right,
Let me hold you tight
All through the night.

Give me one more chance
To prove my love for you,
Give me one more chance
I'll make it up to you.

Just one more chance
To hold you tight,
Please baby, let me make things right.
Let me make things right.
