Over the rainbow
There's a pot of gold
There's a pot of gold
for me, yeah

Over that rainbow
There's a heart of steel
There's a heart of steel
For me to melt
For me to melt
For me to melt
For me to melt

Over that mountain
There's a world to see
There's a world to see
For you and me

Deep in that ocean
They are lucky charms
They are lucky charms
For eternity
For eternity
For eternity

Over that rainbow
There's a pot of gold
There's a pot of gold
For you and me

Over that rainbow
There's a heart of steel
There's a heart of steel
For me to melt, melt, melt
For me to melt
For me to melt
For me to melt
