Whew!

Monday mornin' came too soon
I think about you now, layin' in my room
Hearin' everything you said
I play it back a hundred times in my head
Then I slip into a dream
This feelin inside is ten stories high

Never knew what love was
Until you loved me
Never knew what love was, oh yeah
Cause it feels so good sometimes
And it feels so bad sometimes
The way you love me, love me, la la la la
The way you love me, love me

Friday's always on my mind
I watch the rain come down
And think of how you shine
Let it go or hang on tight
Stay forever or stay for one more night
Either way I feel the same thing for ya
This feelin inside is ten stories high

Never knew what love was
Until you loved me
Never knew what love was, oh yeah
Cause it feels so good sometimes
Don't you know it feels so bad sometimes
The way you love me, love me, la la la la
The way you love me, love me, oh yeah

You know that I want you
You know that I need you

Never knew what love was
Until you loved me
Never knew what love was, oh yeah
Cause it feels so good sometimes
Don't you know it feels so bad sometimes

The way you love me, love me la la la la
The way you love me, love me la la la la
The way you love me, love me la la la la
The way you love me, love me la la la la
Yeah!
