God made the ocean.  
and with the wave of His hand,  
He made the mountains, the deserts and the plain.  
but i wonder what it is, his master plan,  
that there'd be earthquakes, floods and hurricanes.  
When I see the peaceful skies sometimes i wonder,  
how could it turn so dark and be so cruel.  
If the world is full of imperfection,  
but i found one exception, to the rule.

When God made you,  
He had something else in mind.  
When God made you,  
He took a little extra time.

When we're surrounded by a world.....  
Your gentle eyes and loving smile make me forget.  
Though your only flesh and blood I can't help thinking,  
If you have a flaw I haven't foudn it yet.

When God made you,  
He had something else in mind  
When God made you,  
He took a little extra time.

When God made you,  
He had something so divine.  
When God made you,  
He took a little extra time.
