Here we go again
Well I can't hold it anymore
I can't hold in the pain
The pain has knocked down this old door
I don't know what to do
I don't know what to do
About you

It's written all over my heart, my soul
But I cant let her know
I cant let it show
I cant let it go
It's written all over my heart and soul
and if I could, I'd let her know
I'd let her know

Here we go again
Well I can't make it on my own,
Where do I begin?
When I feel so all alone
I don't know what to do
I don't know what to do
About you

It's written all over my heart, my soul
But I can let her know
I cant let it show
I cant let her go
It's written all over my heart and soul
and if I could, I'd let her know
I'd let her know

Well I can't seem to face it
Oohh..And that I am here
and you dont seem to really care
Well you can't seem to face it
What's left of me is for you to see.

It's written all over my heart, my soul
But I cant let her know
I cant let it show

I cant let her go
It's written all over my heart and soul
and if I could, I'd let her know
I'd let her know

Its written all over my heart.
It's written all over my heart and soul
If I could I'd let her know
I'd let her know...
Oh no no...
