ooh, yeah
yeah

maybe the earth is flat
and maybe when we can we can't
and maybe the sky is the ground
and maybe the sun isn't round

(chorus)
if one step forward meant two steps back
(if one step forward meant two steps back)
if don't do this meant don't do that
(if don't do this meant don't do that)

maybe our life is a dream (yeah)
and maybe it's only believe (yeah)
and maybe when we've lost we've won (yeah)
and maybe it's wrong to have fun (yeah)

(repeat chorus)

take a look around tell me what you've found
life is a mystery and we're all just spellbound (ooh)
and maybe were a tiny planet trapped in a big black
hole (ooh)
and maybe God's the only one that can free our soul

(repeat chorus twice)

on and on and on and on
on and on and on and on
on and on and on and on
on and on and on and on

(repeat chorus twice)
