You Blew Me Over

Where were you
Last time I called
Eight thirty
I'm in withdrawal

Every night
I think about you dreaming
Then I wake up
In the morning screaming

bridge:
Why, oh, tell me
Why you left me

chorus:
How did I let you get away?
You blew me over
What can I do?
What can I say?
How did I let you walk away?
Well I can't take another day
So how did I ever let you get away?

HEY

What was it,
That made you go?
The order
Please tell me now

I make believe that I never met you
I try to do it
But I can't forget you

Why, oh, tell me
Why you left me

chorus

Do you know that
I won't let you go
Why won't you take me back (back)

It is you?
It is me?
Tell me how's it gonna be
Look into my eyes
Tell me what you see in me

HEY

chorus
